**NATMAC INFORMATION LETTER**

*Dear Colleagues,*

**SETTING SINGLE EUROPEAN SKY EU-WIDE PERFORMANCE TARGETS**

At NATMAC 67 we discussed the SES Performance Scheme and the establishment of EU-wide performance targets. To ensure that the EU-wide targets required by the Scheme are established in a transparent manner and with the involvement of interested parties, the European Commission is holding a public workshop on 27 May at EUROCONTROL in Brussels. The invitation letter and draft agenda are attached for your information.

*Yours sincerely,*  
*Mark Swan*

**TO AIR NAVIGATION SERVICES STAKEHOLDERS**

Dear Sir/Madam,

I would like to invite you to attend a public workshop on the approach and processes for setting Single European Sky EU-wide performance targets. This workshop will be held on Thursday 27 May 2010 in Brussels (Europa room, Eurocontrol, 96 rue de la Fusée). The meeting will commence at 10:00 am and end at the latest at 4:00 pm.

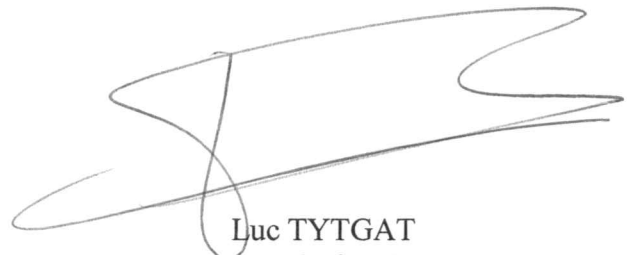

The Commission's intent in holding this workshop is to launch the process for ensuring that the EU-wide targets required by the Single European Sky performance scheme are established in a transparent manner and with the involvement of all interested parties and in time for adoption by the Commission by December 2010.

In this context, the Commission will be supported by the Performance Review Commission until such time as a Performance Review Body is formally designated and by EASA.

Attached you will find the draft agenda for the workshop.

In order to comply with security procedures, participants must register by e-mail to Mrs Chiappara ([giusi.chiappara@ec.europa.eu](mailto:giusi.chiappara@ec.europa.eu)) by 20 May 2010.

Sincerely yours,

Luc TYTGAT  
Head of Unit

EUROPEAN COMMISSION  
DIRECTORATE-GENERAL FOR MOBILITY AND TRANSPORT

DIRECTORATE E - Air Transport  
E.2 - Single Sky & Modernisation of Air Traffic Control
