**NATMAC INFORMATIVE LETTER**

Dear Colleagues,

**RELEASE OF CONTROLLED AND SEGREGATED AIRSPACE**

NATMAC consultation on the Release of Controlled and Segregated Airspace (RCSA) Policy Statement concluded on 16 July 2010. I am pleased to inform you that there were no adverse comments and thus the Civil Aviation Authority has formally adopted the proposal. The RCSA Policy Statement is available on the CAA website at: [Policy / Guidance | Airspace Policy](#); a copy is also enclosed for your information.

The RCSA Policy Statement is complementary to the Airspace Change Process as described in the Airspace Charter (CAP724). CAA Guidance on the Application of the Airspace Change Process is contained in CAP725. Both documents will be amended in due course to reflect RCSA policy.

If you require further information please contact Dean Miller on 0207 453 6554 or at: [dean.miller@caa.co.uk](mailto:dean.miller@caa.co.uk).

Yours sincerely,

*Original Signed*
