27 December 2010

Dear NATMAC Member

**PROPOSAL TO ESTABLISH CONTROLLED AIRSPACE IN THE VICINITY  
OF NORWICH INTERNATIONAL AIRPORT - FINAL REPORT**

The final report from the above consultation is now available to view at  
[www.norwichinternational.com/airspaceconsultation/finalreport](http://www.norwichinternational.com/airspaceconsultation/finalreport)

Due to a number of pressing issues which include but are not limited to the need for supplementary consultation with statutory consultees and amendments to the design of the airspace the process has unfortunately taken longer than we initially envisaged..

Yours faithfully,

A handwritten signature in blue ink, appearing to read 'Mark Burch', is positioned above the typed name.

Mark Burch  
Norwich International Airport  
cc Mr D Miller CAA Directorate of Airspace Policy, CAS Section
