Subject: Proposed airspace change - consultation on extension of Class C airspace stubs on N580/P600 #2

Dear Sir/Madam,
Consultation on the proposed extension of Class C airspace stubs on N580/P600

You are receiving this in your capacity either as a member of the NATMAC committee or as an aviation stakeholder with an interest in airspace changes.

NATS is today (7th September 2009) commencing a consultation on the proposed extension of the Class C stubs of airspace in Scottish airspace. This consultation will close on 6th October 2009 and we would welcome your response no later than this date.

Attached is a copy of the Class C Stubs consultation document which describes the airspace change in general terms and the safety rationale for what is being proposed.

Please reply to register whether you support or have any objection to the proposal. Your response may be made in writing via email (you may simply reply to this email or use the voting buttons):

AirspaceConsultation@nats.co.uk (please include "Class C Stubs" in the subject line)

Or by mail to:

Class C Stubs Consultation Co-ordinator
NATS, Corporate & Technical Centre
Mailbox 5a
4000 Parkway,
Whiteley,
Fareham,
Hampshire, PO15 7FL

Please

Yours sincerely

Class C Stubs Consultation Team
