# Introduction to the On-Site Proceedings

Welcome to the proceedings prepared for attendees at the 20th annual European Aviation Safety Seminar, held by Flight Safety Foundation (FSF) and the European Regions Airline Association (ERA) in Bucharest, Romania, March 10–12, 2008.

The Foundation is grateful for the dedicated work performed by the EASS Agenda Development Committee, the support of seminar sponsors and exhibitors, and of course contributions by the aviation professionals whose papers and PowerPoint presentations are reproduced here.

All the papers and presentations presented here have undergone minor editing for style. This information is not intended to supersede operators' and manufacturers' policies, practices or requirements, or to supersede government regulations. The Foundation, publisher of the proceedings, is not responsible for errors or omissions.
