

## **Aerodrome Winter Wash Up Meeting 2**

**Date:** 12 July 2010.  
**Time:** 13:00 to 15:30.  
**Location:** CAA, SRG, Aviation House (Gatwick)  
Concorde Room, Learning Centre.

### **Objectives of meeting**

1. To confirm the policy on passing of friction data to flight crew.  
(ICAO, AIP AD General, MATS Part 1 (CAP 493), CAP 168 & EU Ops).
2. To reaffirm the position on:
  - Clearing contamination from runways.
  - Aircraft Operations on contaminated runways (Airline Standard Operating Procedures / Policy).
  - Passing of runway contamination information.
3. Clearing contamination from the rest of the aerodrome (General discussion).

**Note:** Friction measurement versus braking friction will not be discussed at this meeting, as the subject is being addressed by ongoing international working groups, to which the CAA participates.
