

# **Hazardous Laser meeting**

**3<sup>rd</sup> December 2010 at 1045HRS**

**Conference room 5b, Home Office building.**

**No.2 Marsham Street, London SW1 4DF**

Please bring with you your official work ID and allow time for security screening and booking in. Thank you.

## **Purpose of meeting**

- Exchange information within the group regarding the current dangers and threats posed by the use of hand held lasers, in particular
- Spyder iii and similar models.
- Identify threats to public safety, law enforcement community and infrastructure.
- Consider what intervention options are available including the possibility of legislation.
- Identify stakeholders and legitimate users and uses of lasers.
